Dear Parents

We have at last regained contact with the outside world, following almost 2 weeks without the internet. Being without it really brings home just how much this is now part of our lives, and how dependant we have become on instant communication, especially with the bad weather of last week.

Following the visit from our MP Mr Neil Parish last week, class 2 have discussed how we have a democratic system for voting. As a result of these discussions, Class 2 now have a Class Rep – Well done Harriet! I have received a letter from Neil Parish to thank me for welcoming him to the school. He said that he was very impressed with the great questions that the children asked him! He acknowledged the very good facilities we have at the school and is going to support us with increasing our numbers.

Class 2 have also discussed different denominations within Christianity, which they will examine further with the planned visit to Exeter next week. They will be visiting the Mosque, the Cathedral and South Street Baptist Church in Exeter to learn about the culture and beliefs of others. You will have received an SOE3 for this trip, please make sure that this is returned to the office by Tuesday (with a voluntary contribution of £7 per child) in order for your child to take part.

The children have also had the chance to start their 'DEN' activities, relating to the Key Stage 2 explorers' topic.

Class 1 have been practising their 2 times tables and writing the final part of their Gruffalo stories. They have made the inside of their shoe box houses, so they are now complete. Once again we have made use of the internet to research where our families have come from. This included places spread as far apart as Torquay, Winchester and even Hungary.

Thank you for all your continued support.

God bless and have a lovely weekend.

Best wishes from Katie Gray and the staff at Farway School

Dates for your Diary

The Widow's Mite

Jesus had been teaching in the Temple. But now he sat down near the treasury and watched as the many visitors to the Temple passed by and dropped money into the collecting box to help with God's work.

The rich men dressed in fine robes threw in handfuls of coins as they passed, without a thought. But then a poor widow came by, paused, and placed just two mites (tiny coins) into the box.

Jesus called his disciples to him and told them what he had seen.

Then he said to them, "Let me tell you, this poor widow gave more than all those people who threw many coins into the treasury. The wealthy men gave just a small part of their riches which made no difference to them. But the widow gave all that she had."

You see, God is more interested in what is in the heart of the giver than the size of their gift.
