Dear Parents,

30th September 2016

The children have had another fun week at school this week but firstly I must say a big well-done to the children who attended the Harvest festival on Sunday. They did very well and we received some lovely comments from the congregation. A thank you to the parents and families that also attended to support our school and church.

We are sorry to be saying good-bye to Reuben, Jude and Shem this week but we wish them the best of luck in their new school and also wish their family well as they move house.

This week all the children have continued their learning with great enthusiasm, it's great to see the children so focused on their Roman Topic work.

In our foundation unit this week children have been experimenting with food texture. The children have enjoyed making potato "smash" to play with. They have also made some wonderfully colourful feathery crowns to follow the book 'What would I do with a tail like this?'. The Foundation children have also enjoyed dressing up in other hats and using the role-play area to learn about the different jobs that each hat is for.

Next week our KS2 children across the federation have been invited to take part in a Handball Tournament at Honiton Leisure Centre along with the other schools within the Honiton Learning Community. It is always a fun event that the children really enjoy.

I am aware that there has been local rumour that Farway may be facing closure again. Having spoken to the new Diocesan Director of Education John Searson last week, I can confirm that this is not the case.

God bless and have a lovely weekend.

Best wishes from Katie Gray and the staff at Farway School

Orchard Aims Certificates

Question of the week:

Scientists have discovered that mice can sense sadness in other mice and it makes them sad too. How much do you think animals communicate with each other and how do they do it?

Do you think we will ever be able to communicate with animals?

Flu Vaccinations

Years 1,2 & 3 - *Please remember to return your child's flu vaccination consent.* It is likely that we will transport the children to Branscombe for this due to Boots requirements on minimum pupil number. An SOE3 will be sent in due course.

Pupil Nationality and Country of Birth

Last week we sent home a letter requesting that all parents fill in and return the form stating their child's nationality and country of birth. We have had most responses back already, but if you have not yet responded we will make the assumption that your child's nationality and place of birth are United Kingdom. *If this is not the case, please let us know by Monday 5th October as our school census is next week.*

Drop In Paolozzi Workshop – Saturday 8th October 11am – 3pm

Join the Double Elephant Print Workshop to print some colourful Paolozzi wallpaper! Part of the Get Creative Family Arts Festival. Drop in anytime between 11am and 3pm.
