Dear Parents,

Class 1 have been learning about length by measuring their play dough worms with rulers and capacity by filling jugs to the correct level with water. They have also written their final 'Oi Frog' stories and made Tudor houses for a Great Fire of London wall display.

Class 2 pupils have been busy making letters for the Harvest Festival Service this Sunday, and have also been practising their Harvest song. Mrs White has been telling them about the gorillas and other wildlife she saw on her travels in Rwanda, and they have started making their 'Welly Walk' scrap books with some of the leaves and grasses they gathered along the way. New discoveries will be added with each 'Welly Walk' throughout the term.

Some of Class 2 took part in a cross country challenge with other schools from the area at Honiton Leisure Centre this week and Harriet came in 2nd place! WELL DONE HARRIET.

Thank you for sending in your harvest festival produce for the children to decorate the Church. Unfortunately all 3 schools have their Harvest Festival this Sunday and Branscombe and Farway's are both at 11.15. Mr Hooper will be in Farway to welcome our families and support them during our input, whilst I will be doing similar at Branscombe. Please can you ensure children are at the Church in good time for the 11.15 service, wearing school uniform.

It has been lovely seeing parents at our 'Sharing Assembly', and I would like to thank those parents who have been able to join us. I hope that in the coming weeks we will be joined by many more and that this will become a positive end to each week for parents, pupils and staff.

Thank you for all your continued support.

God bless and have a lovely weekend.

Best wishes from Katie Gray and the staff at Farway School

HALL OF FAME

Aung San Suu Kyi

For many years the nation of Burma was ruled by their ruthless army which refused to allow the ordinary citizens to have free elections to choose their leaders. If Burmese people spoke openly about politics they were thrown into prison or even killed. But a tiny brave woman called Aung San Suu Kyi refused to be silent about the **truth** of what was happening in her country. She campaigned openly but peacefully in the streets and around the world for Burma to have free elections. For this the army put her under house arrest, keeping her prisoner in her own home for 20 years! Whilst under arrest she was awarded the Nobel Peace Prize for being 'an outstanding example of the power of the powerless'

In 2010 Aung San Suu Kyi was finally freed by the army just after free elections were held in Burma for the first time. On her release thousands of people gathered to welcome and thank her for standing for **truth** and democracy and helping to bring about change in Burma.

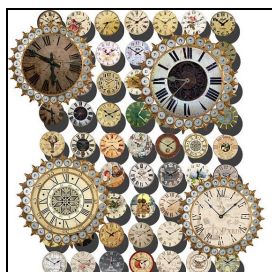

Donations still needed please - Class 1 are collecting clean plastic bottle tops and jar lids, Thank you.

Have you got an old clock that you'd like to become part of a spectacular art installation at Thelma Hulbert Gallery THG?

Thanks to winning a public vote, THG has the opportunity to work with celebrated artist Luke Jerram for this year's *Museums at Night* festival. They are now calling on the community to play an important part in Luke's installation by bringing in their unwanted clocks to the gallery.

They need 1,000 clocks before October. The clocks can be any shape or size, working or not working. If you have any stories or memories relating to your donated clock, please include a written note too. Please note the clocks need to be donated to the gallery and cannot be returned.

Please order meals for the whole week and return this slip with your week's choices on Monday morning.

Should you wish to change your order, we will be able to make adjustments on the day, so if a child is absent, or just if you change your mind, we'll be able to cancel any meal previously ordered (or add one on!)

Please notify the office of any changes as we no longer call the dinner register in class.
