1<sup>st</sup> May 2015

Dear Parents,

Class 1 have enjoyed visiting Honiton Community College for multiskills this week, and had a fantastic time taking part in hurdling, ball skills, balancing, racing and teamwork.

Class 2 have been discussing the new playground rules, and practising storywriting, as well as learning about mountains.

Thank you for all your continued support.

God bless

*Best wishes from Katie Gray and the staff at Farway School*

## **Class 2 Question for the week -**

If you could visit or climb any mountain in the world, which would you choose?

### **Nepal**

The children have been very keen to support Nepal following the devastating earthquake last week. I asked Year 6 to take a lead in planning a fundraising event. They would like to hold a non-uniform day on Friday 15<sup>th</sup> May with a suggested donation of at least £1 per child. There will also be a table top sale in the afternoon to raise funds. I hope you will support them by sending in items for their sale and coming along on the day.

Miss Moss (One of our Branscombe teachers) lived in Nepal for several years and she has advised us on how we can get money to those in need:

"INF (the International Nepal Fellowship) is a Christian medical mission working in health and development among some of the poorest people of Nepal. I worked for them for six years between 2000 and 2006 teaching the children of expatriate personnel. This week I have been in touch with friends and former colleagues who have been updating me on the current situation. Being in place within Nepal, INF were in a good position to respond immediately in distributing aid and relief following last weekend's devastating earthquake. They have already sent a medical team to the region at the epicentre of the earthquake (Gorkha) though they quickly ascertained that the primary need is for relief such as food, water and shelter. They are now loading trucks from their base in Pokhara to send food, tents and other essential items to those worst affected. You can find out more on their website ([www.inf.org](http://www.inf.org))."

## **Class 1**

Can children in Class 1 please bring in their wellies on Thursdays. If you don't have any, we do have a few pairs here which can be borrowed (if they fit!).

## **Hot Weather**

When the lovely weather returns, please send in sun cream (which children are able to apply themselves), sun hats and extra water. Thank you.

**PLEASE ENSURE P.E. KITS ARE SENT INTO SCHOOL EVERY WEEK**

## **Class 1 Reading, Spelling and Keywords**

Please help your child to learn by practising their spelling and keywords and reading with them at home – just a few minutes each day can make a real difference. Spelling tests are on Friday morning, and if children have not practised these their day starts badly. Please help your child to enjoy school and learning by ensuring that they are prepared and ready to succeed – they really will benefit so much from your input.

## **Uniform**

During the holidays we have unearthed lots of uniform. We are therefore holding second hand uniform sales after school next week where items of uniform will be available for a donation. If you can't find what you need, we will also have forms available for you to order any other items needed.

### **THINK TOGETHER** **Words of Wisdom**

"A good **friend** is worth their  
weight in gold."

*Anon*

That's a lot of gold!  
Why do you think that this is  
such a popular proverb?
