11<sup>th</sup> March 2016

Dear Parents

Another busy week, with Class 2's work continuing on planning and writing their newspaper articles and Class 1 progressing with their 'Stuck' story.

We have continued following Tim Peake and the International Space Station in the newspapers. All the children have designed and made rockets, drawn moons complete with craters, and have plotted the Sun, Earth and Moon's orbits in the playground.

They have also continued their work on fractions and started looking at the water cycle.

We will be hosting the Life Education Bus again next Friday, where all three federation schools join together and visit the bus for sessions on 'My Wonderful Body', 'It's Great to be Me' and 'Friends'. There will be a parent session at 9.00 am for any parents who would like to come along and visit the bus to see what the children will be learning on the day.

Also next Friday can children come into school in their sportswear suitable for playing football, along with a 50p. contribution for Sport Relief.

Could I ask that parents observe the 'No Parking' signs and park further up or down the hill and not directly outside school as the bus has been unable to park to collect children at the end of the day. Your assistance in this is much appreciated.

Thank you for all your continued support.

God bless and have a lovely weekend.

*Best wishes from Katie Gray and the staff at Farway School*

## **Andy Widger Football at Branscombe**

Andy Widger is starting a new block of Football sessions at Branscombe starting on Friday 11<sup>th</sup> March. This will be a 6 week block (2 weeks before the Easter break, and 4 weeks after Easter.) If anyone would like to join, please let the office know you would like an application form.

We are holding an Easter Fayre at the school on Sunday, 20<sup>th</sup> March from 2 – 5pm.

Please put this date in your diaries. We want people to come and see what a wonderful school we have, and create much needed publicity. If you can display a poster, just ask at school. Thank you for your help.

### COLLECTIVE WORSHIP – RESPECT

Our value for this term is Respect.

## FASCINATING FACTS

Religious communities often treat their holy books with great reverence and **respect**. They believe the holy book contains God's teaching.

- Christians believe that the Bible is God's word to his people. They show **respect** and reverence by treating the Bible carefully. In some churches the Bible has a special stand called a lectern, from which it is read during worship.

- Orthodox Jewish men wear a kippah to cover their heads, as a sign of humility and **respect** towards God. The Torah scrolls are kept in a closed cabinet called an Ark and when reading them a pointer, yad, is used to follow the script so that the scrolls are not touched by hands.

- Muslims keep their holy book, the Qu'ran, covered and in a clean place, not on the floor nor with anything placed on top. To show **respect** and reverence they only handle the book with clean or gloved hands.

- Sikhs cover their heads and remove their shoes before going into a room housing their holy book, the Guru Granth Sahib. To show **respect** and reverence nobody sits higher than the Guru Granth Sahib and no alcohol is ever taken into the room.
